KNOWLEDGE  WISDOM  SERVICE

Education and skills are the best weapon for students, students should play a role for the country and nation using modern technology. Prime Minister Shehbaz Sharif

These views were expressed by the Prime Minister of Pakistan Mr. Shahbaz Sharif while distributing laptops to the students of Gwadar University on the occasion of his visit to Gwadar. He said that we have restarted the laptop program in all three provinces, which includes the laptop scheme for the male and female students of Balochistan. The Prime Minister said that the gifted boys and girls of Gwadar University have been given laptops, the only criteria for laptops is merit and there is no nepotism. Yes, the quota of laptops for students of Balochistan has been increased from 3% to 14% under which 14 thousand laptops are being distributed. On this occasion, he announced that this laptop quota will be increased from 14% to 18% for the budget of 2023-24.

Governor Balochistan and Chancellor Gwadar University Abdul Wali Kakar addressed the ceremony and said that Gwadar University can play an essential role for the people of Balochistan and Pakistan. He said that the services of Prime Minister Shehbaz Sharif for the country and Balochistan in this regard are commendable.

The historic first Senate meeting of Gwadar University

The Governor of Balochistan and Chancellor of Gwadar University praised the tireless efforts of the University of Gwadar Vice Chancellor Prof. Dr. Abdul Razzaq Sabir and his entire team. He expressed these views while presiding over the First Senate meeting of the University of Gwadar. On this occasion, Judge of Balochistan High Court Justice Hashim Khan Kakar, Vice-Chancellor the University of Gwadar Prof. Dr. Abdul Razzaq Sabir, Pro Vice-Chancellor UG Prof. Syed Manzoor Ahmed, Provincial Secretary Dostain Khan Jamaldini, Vice-Chancellor of Lasbela University Dr. Dost Muhammad Baloch, Principal Secretary to Governor Balochistan Hashim Khan Ghalzai, **Continued on page 04**

The governor calls for adapting to modern-era needs. Says artificial intelligence affects the economy, human behaviors

Governor Balochistan said that mental ability dominates physical strength in the present era. He said this while talking to University of Gwadar Vice Chancellor Professor Dr. Abdul Razzaq Sabir at Governor House Quetta on Monday. On this occasion, Governor Balochistan Malik Abdul Wali Khan Kakar said that thousands of people of Balochistan are forced to work away from their families. He said that it is our conscious effort and desire that the youth of Balochistan should not go to other

countries and provinces to earn or a living as watchmen, laborers or drivers, but each of our youth should become a successful professional, IT expert or researcher or scientist in the society. Adopt the ability to live from. In this regard, the role-of Balochistan Public Sector is very important. It is very important to benefit the poor students of the remote district of the province from the fruits of the higher Education Commission. The University of Gwadar created a new history by launching various courses for the students and local youth. He said that regarding higher education and the province we have to focus on both quantity and quality.
